TRENDING DESIGNS

Today's decked out and thoroughly modern culinary spaces have more to offer than ever thought possible

Affluent residential buyers are spotlighting kitchens as the "front and center" of their luxury homes. The trend is enticing developers and designers to make kitchens the highlighted design feature of the residence—showcasing textures, color, and integrating them into the larger design scheme. From NY to Miami we tour decked out kitchens in some of the most affluent developments.

DESIGN

The Shepherd

Located in The West Village, at 275 West 10th Street, the Shepherd offers exquisite kitchens designed by Gachot Studios with cabinetry built by the much acclaimed firm, Smallbone of Devizes, and all appliances from Miele. The cabinets, made of solid mahogany, are detailed with custom Yalli hardware of unlacquered brass and satin nickel complementing classic and of the moment design. Beautiful statuary white marble island counters are mixed with durable honed black granite work surfaces.
